

dae
Jundial

A 3D architectural rendering of a modern building facade. The main feature is a large, light blue rectangular sign with the 'dae Jundial' logo. The building has a glass frontage with a white tiled base and a blue patterned base. To the right, there is a fenced-in area, possibly a sports court, and a parking lot with a designated accessible space. The sky is a clear, light blue, and there are some palm trees visible in the background.
